## SUNRAISE – SURE Summer School **URBAN + MOUNTAINS** 7<sup>th</sup> – 14<sup>th</sup> of July 2019 Salzburg, Austria

The Summer School is organized under the Erasmus+ projects

## Sustainable Natural Resource Use in Arctic and High Mountainous Areas

Organizer: University of Salzburg, Austria, in cooperation with SUNRAISE and the Society for Urban Ecology (SURE)

Partner: Ore of the Alps UNESCO Global Geopark and Nationalpark Berchtesgaden

(c) Jürgen Breuste

The summer school is organized by the University of Salzburg (Austria) and the Society for Urban Ecology (SURE) in cooperation with Austrian and international partners. It aims at exploring human and environmental challenges and finding solutions for these. The Alps, Europe's highest mountain system, serves a perfect study area for this purpose. The school will include training on research methodology and group work on various research projects. The research part will be in connection of the Summer School from 15<sup>th</sup> till 21<sup>st</sup> of July.
